

“Adopt a Tree”

Presented By:
Anthem 

Would you, or your organization like to “Adopt a Tree” for the 2010 Butterfly Walk for CancerFree Kids? It’s a great way for kids to get involved in the event.

Here’s all you have to do:

Have your group make and decorate large butterflies out of paper, or any other material you would like to use. Attach each butterfly, by stapling or gluing, to one long ribbon. We will then wrap the ribbon around the tree to decorate the trees with the butterflies. Please also make a sign to identify your group, and the sign will be hung up on the tree along with the butterflies. The sign should be roughly 18” X 24”

Contact the “Adopt a Tree” coordinator for pick up or delivery options, and deadline (end of April). We would like to have all of the butterflies collected prior to event day, so that volunteers can help hang them. If you would like to volunteer your time to help set up on event day, please go to the web site, www.butterflywalk.com, and click on the volunteer tab.
