

Dear family & friends,

This is my niece Hanna Paribello. Hanna was diagnosed with Neuroblastoma (a form of childhood cancer) just before Christmas in 2005. After 7 months of fighting this disease, Hanna lost her battle on Father's Day 2006 at just 3 years old.

On May 12<sup>th</sup>, our family will be participating in The 6<sup>th</sup> Annual Butterfly Walk for CancerFree KIDS. We will be walking on the team Hanna's Helpers to celebrate Hanna's life and our team hopes to raise over \$5,000 to help fund pediatric cancer research. The event has been an overwhelming success for the past 5 years and with the help of our family, friends, supporters and sponsors; we have successfully raised over \$270,000 for CancerFree KIDS.

If you would like support us in the Butterfly Walk you can do so in 3 ways:

- Join us in person! Register to walk with us on the team Hanna's Helpers in the 6<sup>th</sup> Annual Butterfly Walk and Fun Festival for CancerFree KIDS. Bring your whole family and make it a great way to celebrate Mother's Day weekend.
- Support our team! Consider making a personal donation online at: <http://www.active.com/donate/2012Butterflywalk/hannashelpers> or by mail: you can make a check payable to CancerFree KIDS and mail it to: CancerFree KIDS, Attn. Butterfly Walk, P.O. Box 575, Loveland, OH 45140. Please indicate on the memo line our team name Hanna's Helpers.

We hope you will share our story with others and help raise awareness for CancerFree KIDS, together we can change lives.

For more information on our walk visit [www.butterflywalk.com](http://www.butterflywalk.com)

For more information on CancerFree KIDS visit [www.cancerfreekids.org](http://www.cancerfreekids.org)

Thank you so much for taking the time to read this note. We appreciate anything you can do to help raise awareness and support for CancerFree KIDS.

Donna, Dave, Brett & Ella Tipton
